

### **ANTIOXIDANT BLEND**

Increases immune function, decreases the risk of infection, and neutralizes free radicals.\*

### **CALCIUM**

Improves bone health, reduces the risk of osteoporosis, and helps control blood pressure.\*

### **ENERGY BLEND**

Fights fatigue and stress, increases stamina, and promotes vitality.\*

### **FAT STRIPPER BLEND**

Enhances metabolism, increases lean muscle mass, and promotes heart health.\*

### **FIBER BLEND**

Improves nutritional absorption, lowers cholesterol, and regulates blood sugar. If you're following a low-carb diet, there's a good chance you're not getting enough fiber.\*

### **FLU FIGHTER BLEND**

Stimulates the immune system, fights colds and flu, and suppresses free radicals.\*

### **GREEN BLEND**

Green foods that contain high concentrations of chlorophyll as well as naturally occurring vitamins, minerals, amino acids and enzymes. Chlorophyll is the substance responsible for the green color in plants and absorbs the sunlight necessary for photosynthesis.\*

### **HANGOVER BLEND**

Helps relieve headaches, motion sickness, and indigestion.\*

### **MULTI VITAMIN BLEND**

Vitamins and minerals that provide all the essential nutrients to support optimal health.\*

### **LIBIDO BLEND**

Formulated with herbs that have an aphrodisiac effect for both men and women.\*

### **PROTEIN BLEND**

Helps build muscle, lower cholesterol, and provides many essential amino acids.\*

### **RELAXING BLEND**

Helps reduce nervous tension, anxiety, and restlessness.\*

### **SMART BLEND**

Improves mental alertness, increases oxygen to the brain, and enhances blood flow.\*

### **SOY PROTEIN**

Helps build muscle, lower cholesterol and may reduce the risk of heart disease.\*

### **VITAMIN C**

Reduces the severity of a cold, stimulates the immune system and protects against free radicals.\*

### **WHEY PROTEIN**

Supplies the body with many essential amino acids, increases immunity, and is used by athletes to repair and build muscle.\*
